

What if my ID does not list my current address/zip code?

If your US government-issued ID does not indicate your current zip code, we will accept any of the following as proof of your zip code (A valid US government-issued ID is still required to participate in the event):

- Federal, state or local government documents, issued within the last 90 days
- Magazines issued within the last 90 days
- Any envelope, box or postcard that has been sent indicating a postmark or stamped date within the last 90 days
- Valid vehicle registration
- Valid life, health, auto or home insurance policy or card
- Valid real estate tax statement or receipt
- Any valid license reflecting your address (nursing, law, teaching, hair, fishing, etc.)
- Voter registration card
- Current Mortgage, lease or rental agreement
- DMV Renewal Notice
- Blank check or deposit slip with your address

In an effort to make the F100 registration process more fair and consistent for our Community F100 participants, an envelope, box or postcard that has been sent indicating a postmark or stamped date within the last 90 days will **NO longer be an eligible form of address verification after January 1, 2018.*
